Education

Pitzer College

Claremont, CA

Major: Mathematical Economics; **Minor:** Data Science; **GPA:** 3.81/4.0.

May 2027

Relevant coursework: Data Science for Research Assistants, Macroeconomic Theory, Microeconomic Theory, Principles of Macroeconomics, Econometrics, Calculus II, Calculus III, Computational Linear Algebra, Intro to Python, Foundations of Data Science (R), Environmental Economics, Natural Resource Economics & Policy, Energy Economics & Policy, Public Welfare & Economics, Advanced Behavioral & Experimental Economics.

Research Experience

Economics Research Assistant

October 2024 - Present

Lowe Institute of Political Economy | Claremont McKenna College | Dr. Laura Grant

- Use LaTeX to edit research and manuscript, “Framing and the provision of public goods: A field experiment in nudging alternative commuting”.
- Brainstorm research questions and conduct literature reviews.
- Probe the effectiveness of environmental, financial, private, and public nudges in reducing single-person driving.
- Apply Stata for data analysis and data polishing, and constructing tables and diagrams.

Research Assistant

May 2025 - August 2025

European Foundation for the Improvement of Living and Working Conditions | Dr. Massimiliano Mascherini

- Clean EU-scale working conditions survey datasets with over 2 million observations through STATA and R.
- Create 60 data figures and graphs through Python to effectively communicate insights.
- Authored data analysis results for inclusion in Eurofound’s upcoming white paper.
- Communicate research findings at department meetings and regional conferences.

Research Assistant

May 2025 - August 2025

University of Chicago & Brookings Institution | Expanding Discovery in Economics Summer Program

- Attend a rigorous 2 months STATA and R bootcamp for applied large data analysis to economic datasets.
- Designed and developed a research project analyzing the effects of crime on voter turnout in the United States.
- Collected and merged large-scale datasets (>2 million observations) from multiple public sources through data scraping techniques.
Cleaned, structured, and validated raw datasets to ensure accuracy and consistency for statistical analysis
- Conducted data analysis using STATA and Python to identify patterns and relationships between crime rates and electoral participation.

Presentations

1. “How did violent and property crime rates influence voter turnout in swing-state counties during the 2020 U.S. presidential election?” **Xavier, L**; Miller, I; Upadhyaya, D; Okorie, N. 2025 PREDOC Student Research Conference at the World Bank 2025, Washington D.C., August 2, 2025.

Lourenço Xavier

Relevant Experience

Principles of Microeconomics Cover Professor, Tutor, Grader and Teaching Assistant

January 2024 - Present

Economics Department | Pitzer College

- Lecture “Principles of Economics” when the main instructor is absent, ensuring continuity in course material and student engagement.
- Clarify complex Economics concepts and facilitate learning for 51 students in tutoring sessions, including individual and group sessions, providing feedback on homework, course content, and exam preparation.
- Grade homework and keep Canvas up-to-date by uploading assignments and grades.
- Upload course content to Canvas.

Calculus I/II Tutor and Teaching Assistant

January 2024 - Present

Mathematics Department | Pitzer College

- Clarify complex Calculus concepts and facilitate learning for 60 students in tutoring sessions, providing feedback on homework, course content, and exam preparation.
- Grade homework and keep Canvas up-to-date by uploading assignments and grades for both classes.
- Review and evaluate exams and peer review exam solutions.
- Monitor exams and provide make-up exams.

European Union Center Office Assistant and Event Coordinator

October 2023 - August 2024

California EU Center | Scripps College

- Organized three forums on EU sustainability initiatives for the Claremont Colleges Students. Topics included: emission ambitions, favoring repairs over new purchases, economic implications, and the energy transition.
- Assisted in administrative tasks such as scheduling meetings, managing calendars, and handling correspondence.
- Participated in meetings and conferences related to EU matters, taking notes and summarizing key points.

Pitzer College Fellow

October 2023- Present

Student Engagement Center | Pitzer College

- Contacted over 1000 Pitzer alumni and current student parents with the goal of ensuring engagement through philanthropic support to the College’s mission.
- Collected over \$1600 in donations to fund Pitzer scholarships, financial aid, research opportunities, and other projects.
- Coordinate the team by assigning tasks and serving as an intermediary between the Office of Giving and students.
- Organize Alumni Events thrice a year, including Family Weekend, Alumni Weekend, and Freshmen Weekend.

The Lobster Journal

November 2023 - May 2024

Economics Section Editor | Pitzer College

- Reach out to the authors with constructive suggestions to enhance their work, aligning it with the journal's standards and requirements for publication. The journal aims to promote student's academic work across the community, while providing space for interdisciplinary lenses in contemporary world issues. Standards include quality of writing, proper Chicago citation, relevance of topic, formatting, and an alphabetically organized reference list.
- Work closely with the Journal’s editors team to review submissions and provide feedback.

Study Abroad and Internship in Salvador da Bahia, Brazil

June 2024 - July 2024

- Research and explore systematic oppression systems in Salvador to devise policies to mitigate it alongside the city mayor.
- Attend government meetings and write meeting notes.
- Research and compare the legislative processes between Brazil, Portugal, and the USA.
- Attend and help organize cultural events.
- Provide translation services between Portuguese and English for the program's participants, facilitating dialogue.

National Committee Admissions Committee

July 2022 - July 2024

United World Colleges, Portugal National Committee | Remote/In person

- Reviewed 50 applications to study in the United World Colleges, scoring applications based on admissions criteria.
- Conducted interviews with applicants about their suitability to study at a United World College.
- Attended weekly meetings to discuss applications to the program.

Lourenço Xavier

- Attended a camp for one week for selected students to advise them about the United World Colleges.
- Organized events for upcoming students and their families.
- Collect donations to help individuals selected by UWC Portugal to study in a UWC through need-based scholarships.
- Update donors on United World College events.

Portuguese Table Lunches

August 2024 - Present

Volunteer | Pitzer College

- Attend weekly lunches and monthly cultural events of Portuguese-speaking countries.
- Mentor students learning Portuguese, with an emphasis on the distinctions between European and Brazilian Portuguese.

European Union Center Advisory Board

August 2024 - Present

Advisory Board Member | Scripps College

- Attend regular meetings to brainstorm and strategize upcoming events and initiatives for the Center, ensuring alignment with its mission and goals.
- Organize and facilitate monthly board meetings by preparing agendas, coordinating schedules, and managing follow-ups to maintain efficient operations.
- Design and promote engaging content, including posters and graphics using Canva, to increase awareness and participation in the Advisory Board's activities and events.

Model European Union

President of Romania | West Coast Model EU National Competition, University of Washington

January 2024 - March 2024

- Research on European affairs by selecting historical and present information as a means of understanding the status quo.
- Defend Romania's side on Türkiye's entry to the EU.
- Debate the creation of a European defense alliance.

Skills: Python, R, Stata, Github, LaTeX, GIS, Canva, Canvas, Microsoft Suite and Google Suite.

Language Fluency: Portuguese (native), Galician (advanced proficiency), Spanish (advanced proficiency), Mirandese (advanced proficiency), English (native).
